

### **BIA’s Brick PAC for a Stronger America - Prior Approval Form**

The Federal Election Commission has determined that a trade association like BIA may solicit the restricted class of member corporations, i.e. their executive and administrative personnel, stockholders and the families of both groups, for contributions to the PAC. In order for BIA or its Brick PAC to solicit a corporate member’s restricted class, please complete and sign the following authorization form:

I authorize BIA’s Brick PAC for a Stronger America to communicate with and solicit contributions from me, as well as designated executives and administrative staff in my company. As required by Federal law, my company has not authorized any other trade association PAC to solicit our employees during the calendar years designated and will not approve such solicitations for any year in which prior approval is granted to BIA’s Brick PAC for a Stronger America. I understand that participation in this PAC is voluntary, and any decision not to contribute will, in no way, reflect adversely on the solicitee.

Such approval is granted for the following calendar years; Federal law requires a separate signature for each year:
