

Associate Manufacturer Member Members' Only Information Access & Pricing 2021

An Associate Manufacturer (AM) member will have the following limited access to restricted information contained in the Members Only area of the BIA www.gobrick.com website as determined by the BIA Executive Committee. AM members in good standing may purchase the following reports providing all of the eligibility requirements outline below have been met:

- Monthly Production & Shipment Reports
- Monthly Brick Statistics & Permits by State Reports
- Annual Brick Industry Reports

Monthly Production & Shipment Reports

To be eligible to purchase the above reports, an AM member in good standing must input the information listed below each month along with fully completing the annual report survey. All fired clay units will need to be converted into Standard Brick Equivalents (SBE) using the BIA's Board approved conversion factors for each unit size. **All company specific information provided will be strictly confidential and only aggregate information will be disclosed in any BIA reporting.** The monthly information to be input into BIDS includes the following (all are required to be stated in thousands of SBEs):

- Brick production by state
- Brick shipments from plant locations by state
- Brick shipments by destination by state
- Dollar value of destination shipments by state
- Month-end inventory by state

Monthly Production & Shipment Report Pricing:

Receipt of Report on a <u>quarterly basis only</u> :	\$ 400 annually
Receipt of Monthly Reports:	\$1,000 annually

The above amounts must be received by BIA in full for each calendar year before any reports can be distributed to AM members in good standing.

Associate Manufacturer Member Members' Only Information Access & Pricing 2021

Monthly Brick Statistics & Permits by State Reports

The reports are not eligible for purchase by AM members in good standing until it has been six-months or more from the date the applicable report was originally issued.

Brick Statistics & Permits by State Report Pricing:

Receipt of Report on a <u>quarterly basis only</u> :	\$200 annually
Receipt of Monthly Reports:	\$500 annually

Annual Brick Industry Reports

Annual brick industry reports are eligible for purchase if the AM member is reporting all required information into BIDS on a monthly basis and the AM has fully completed the annual manufacturer survey used to compile annual industry reports. **All company specific information provided will be strictly confidential and only aggregate information will be disclosed in any BIA reporting.**

Annual Industry Report Pricing:

BIA Annual Industry Report:	\$2,500 per report
